Applicant's arguments filed ¹⁻²⁰⁻²⁰⁰⁴₄ have been fully considered but they are not persuasive with respect to claims 11, 12, and 15. Claims 11, 12, and 15 are drawn to a microelectronic device. However, the claims do not recite device limitations. Although the claims are dependent upon process claims, and therefore claims 11, 12, and 15 are product by process claims, the claims would be examined based upon the device limitations resulting from the process steps of the claims upon which claims 11, 12, and 15 depend. However, the claims upon which claims 11, 12, and 15 depend do not recite process steps which result in device limitations which result in a structure. The method of forming does not give patentable weight to the device itself (MPEP 2173.05(p)).

Claim Rejections - 35 USC § 112

Claims 11 and 12 are rejected under 35 U.S.C. 112, first paragraph, as failing to comply with the enablement requirement. The claim(s) contains subject matter which was not described in the specification in such a way as to enable one skilled in the art to which it pertains, or with which it is most nearly connected, to make and/or use the invention. The reasons are as stated above.

Allowable Subject Matter

Claims 2,4,5-10,13-14 are allowed.

Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.
